

Look up child  
The world is born  
Shoe's untied  
And your soles are worn

Windows are rolled down  
Sun is setting high  
Windows are rolled down  
I'm fixin' to die

Corn rows have companion feel  
This rocky road and this steering wheel  
Who do you call to ease your pain  
I hope for you to get through this rain

Windows are rolled down  
Moon is hanging low  
Windows are rolled down  
Think it's time for me to go hey-ay-ay-a...-ay

Is it what you dreamed it'd be  
Are you locked up in this fantasy  
Oh this miles that have  
torn us apart  
My new found faith  
and my broken heart

Windows are rolled down  
Sun is rising high  
Windows are rolled down  
Feel that wind rushing by hey-ay-ay-a...

Windows are rolled down

t's empty in the valley of your heart  
The sun, it rises slowly as you walk  
Away from all the fears  
And all the faults you've left behind

The harvest left no food for you to eat  
You cannibal, you meat-eater, you see  
But I have seen the same  
I know the shame in your defeat

But I will hold on hope  
And I won't let you choke  
On the noose around your neck

And I'll find strength in pain  
And I will change my ways  
I'll know my name as it's called again

Cause I have other things to fill my time  
You take what is yours and I'll take mine  
Now let me at the truth

Which will refresh my broken mind

So tie me to a post and block my ears  
I can see widows and orphans through my tears  
I know my call despite my faults  
And despite my growing fears

But I will hold on hope  
And I won't let you choke  
On the noose around your neck

And I'll find strength in pain  
And I will change my ways  
I'll know my name as it's called again

So come out of your cave walking on your hands  
And see the world hanging upside down  
You can understand dependence  
When you know the maker's land

So make your siren's call  
And sing all you want  
I will not hear what you have to say

Cause I need freedom now  
And I need to know how  
To live my life as it's meant to be

And I will hold on hope  
And I won't let you choke  
On the noose around your neck

And I'll find strength in pain  
And I will change my ways  
I'll know my name as it's called again

All about Mumford And+Sons: <http://www.musicstory.com/music/Mumford+And+Sons>  
Neath an avalanche  
Soft as moss  
I am a creeping and intangible sense of loss  
I'm the memory you can't get out your head  
But if I leave you now  
You'll wish you were somewhere else instead

I'm the manta ray  
I'm the louse  
I am the photograph  
They found in your burned out house  
I am the sound of money washing down the drain  
I am the pack of lies  
Baby that keeps you sane

Gates of heaven are open wide  
God help me baby I'm trapped inside  
Feels like I'm buried alive

I'm the bottom line  
Of the joke

I am ecstasy  
Spilling like bright egg-yolk  
I'm the thoughts you're too ashamed to ever share  
And I am the smell of it  
You're trying to wash out of your hair

Gates of heaven are open wide  
God help me baby I'm lost inside  
Feels like I'm buried alive  
Possibilities limitless  
Just give me something that's more than this  
One shot and I'll never miss  
Yes

I'm the babe that sleeps  
Through the Blitz  
I am a sudden and quite unexpected twist  
I am your one true love  
Who sleeps with someone else  
I am your nemesis  
Baby I'm life sweet life itself
